

PRIMOSOLE

DESCRIPTION

A sparkling white wine, straw-yellow in color with greenish reflections. It features a fine perlage and persistent froth.

The nose is pleasantly aromatic and slightly exotic, with pronounced hints of white-fleshed fruit.

On the palate, it is fresh and amiable, finely mineral, with a well-balanced finish characterized by notes of green apple and banana.

PAIRING

Ideal as an aperitif, it also pairs wonderfully with meals, especially fish or white meat dishes.
